Firm Profile

Over 30 years of serving the aviation industry by bringing organization, knowledge, and accuracy to aircraft transactions.

Who We Are

Clients engage Gilchrist Aviation Law to provide service and counsel for aircraft title, registration, finance, and leasing of national and international aviation transactions and companies, as well as their local, outside counsel.

We serve as special FAA and Cape Town Convention counsel to clients and their lawyers all over the world.

What You Can Expect

Integrity

Our group is bound not only by the strict ethical standards governing lawyers and law firms, but more importantly by the conviction that honesty, transparency and privacy for our clients is the only way to conduct a transaction. Our integrity transcends profits and convenience, whether in dealing with our clients or parties to a transaction.

Accuracy

No task is so urgent that we cannot uphold our commitment to the highest level of accuracy. We utilize technology, systems we've developed over decades and industry thought leaders to deliver a product on which we daily stake our reputation.

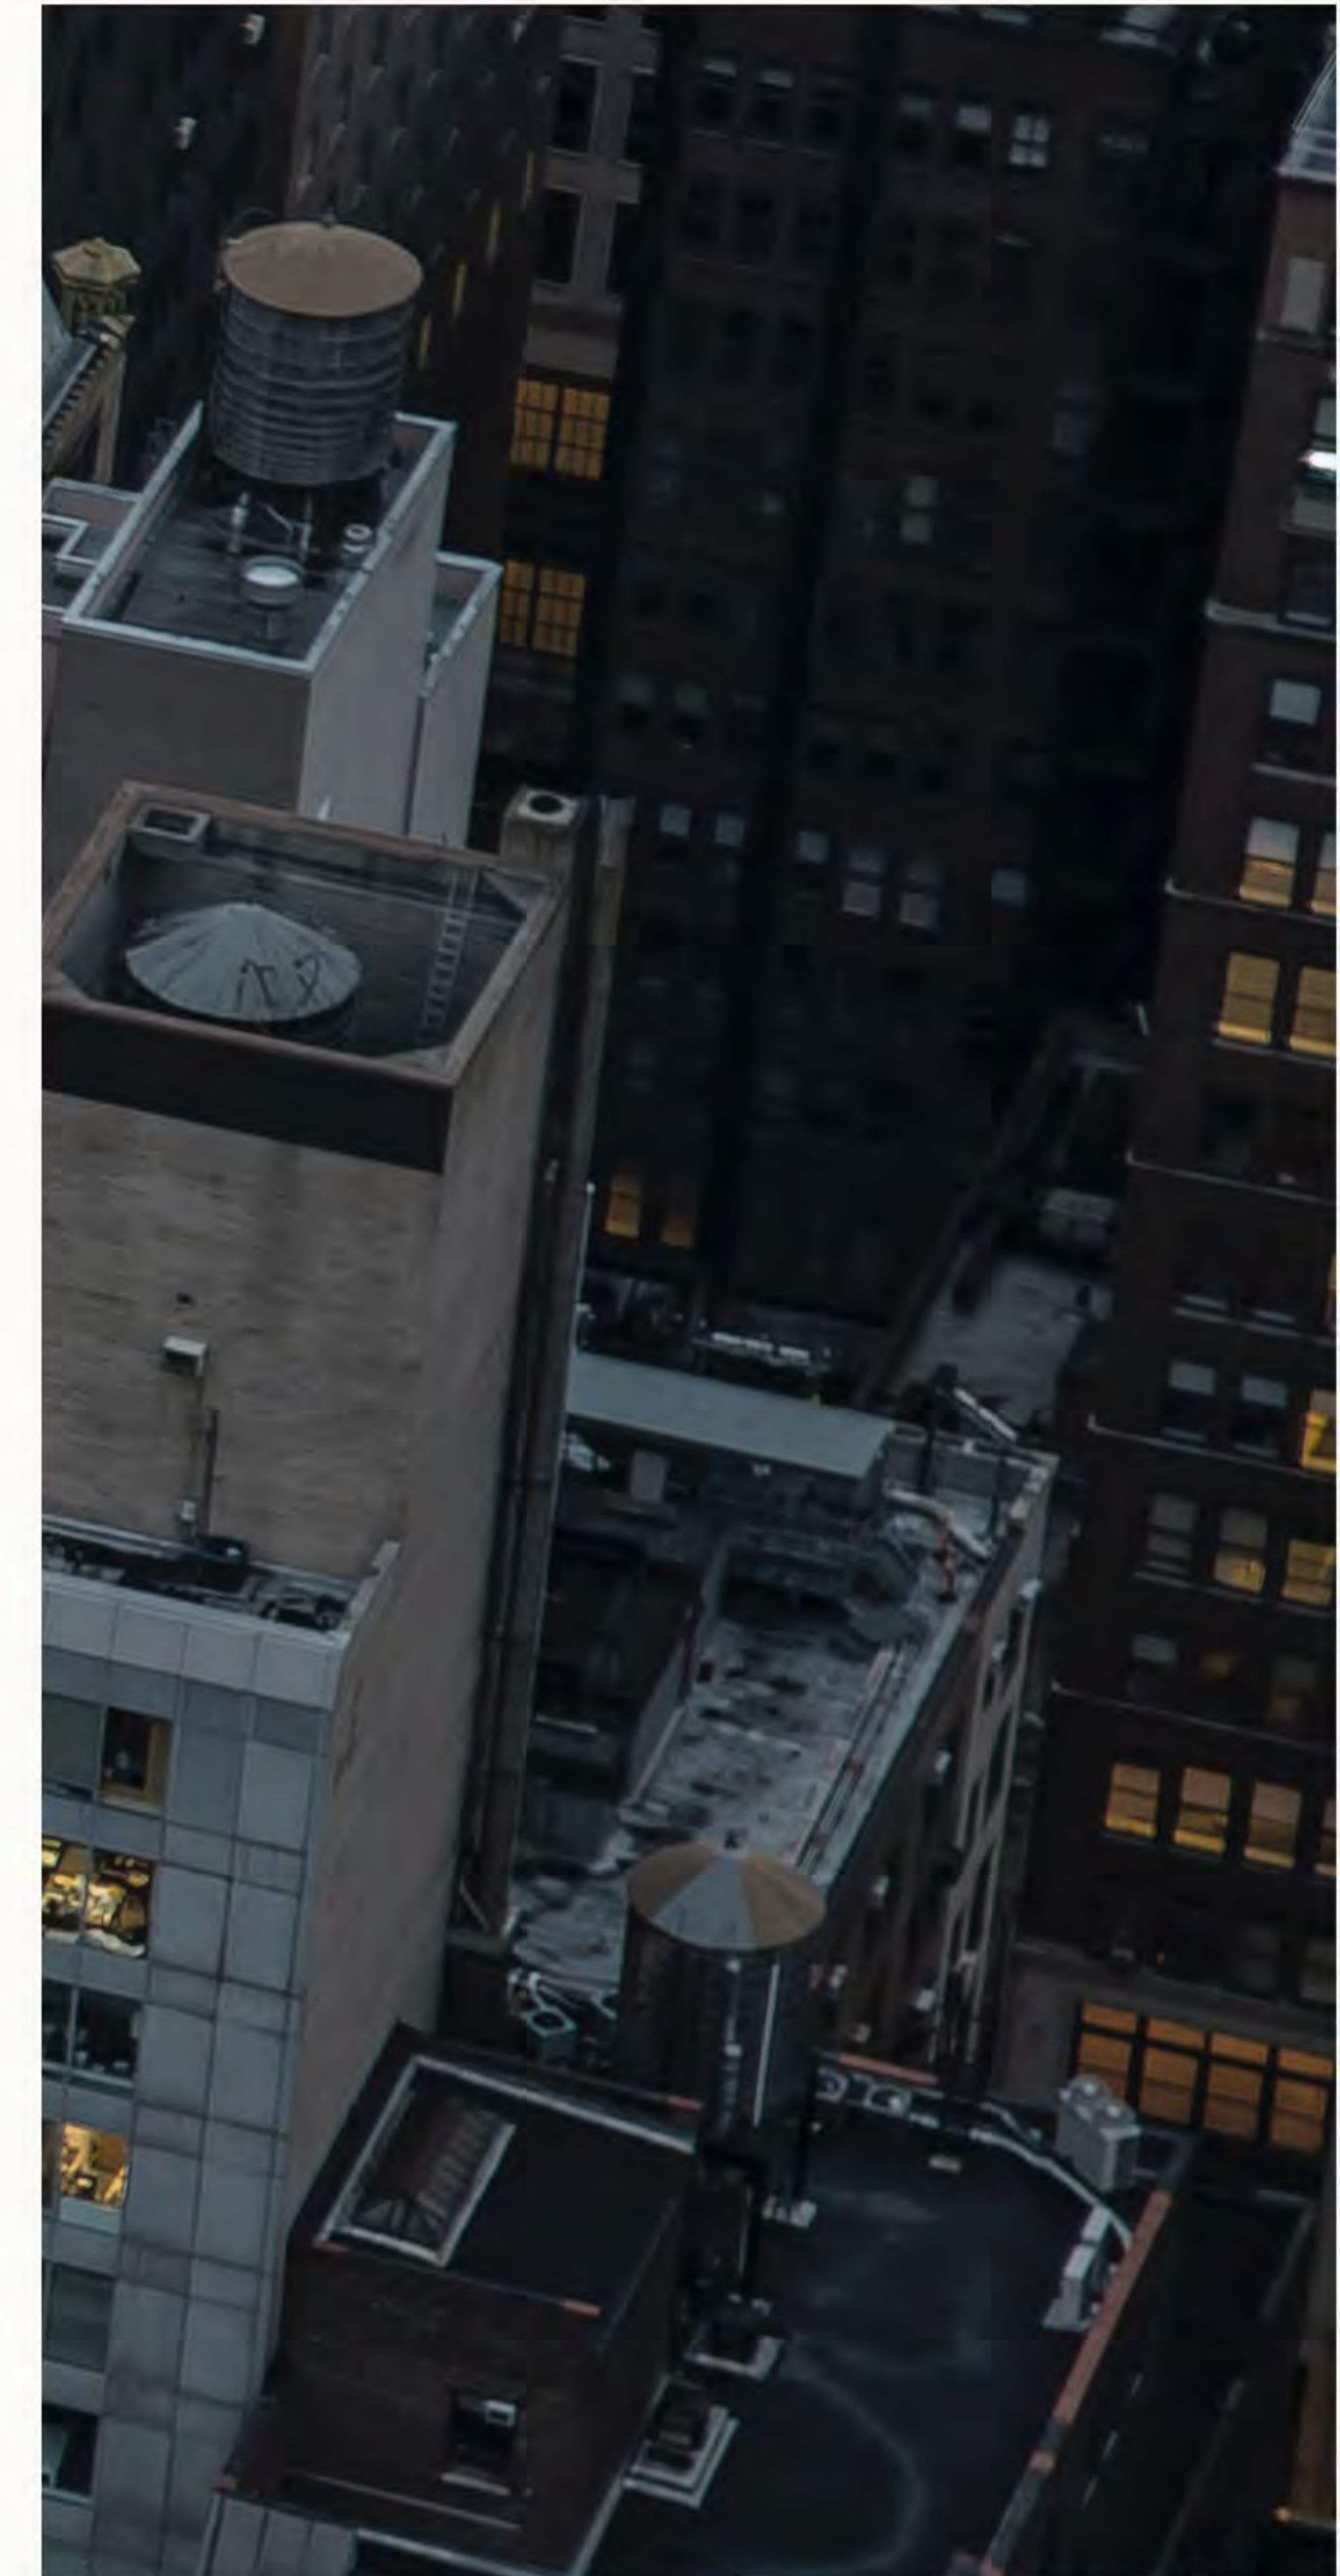

Communication

We are not satisfied with simply being transparent in our work; we believe our counsel is most effective when it is clearly and regularly communicated to our clients. We want you to expect availability and timeliness from our attorneys, legal assistants and staff with every transaction.

Our Clientele

No matter the size of your operation or fleet, Gilchrist Aviation serves a diverse array of clientele, from some of the world's largest air carriers to those with personal aircraft.

- Global Air Carriers
- Fractional Programs
- Aircraft Lessors
- Business Jet Dealers
- Manufacturers
- Air Cargo Carriers
- Helicopter Transport
- Law Firms
